~Find out about Australia~

Art Museum and Library, Ota and Sydney Opera house will co-host “Join the Dots” on third week of January. We would like to take an opportunity, therefore, to find out about Sydney, Australia in order to get closer.

This time, we collected the books about Australia that can tell you its great nature, animals, culture and so on. You can also find collections of picture books by Australian authors and illustrators. “Gumnut Babies” and “Possum Magic” have been loved and read for long period by the Australian.

【Contents of the collection】
